The FSBOA encourages you to join the FSBOA to support us in our efforts on many fronts including, but not limited to, legislative issues in Tallahassee and meetings to represent horsemen's issues with management.

We would also ask you to assist us in recruiting new members. Our objectives are to unite the Florida Standardbred community and to enhance our ability to control our own industry. This can best be accomplished through strong membership and participation. As a FSBOA member, you are eligible to receive many benefits, including the required third party liability insurance and sulky insurance. We also supply fax service to our members, as well as generating USTA research reports. Our website: www.flstandardbreds.com and the annual *Stallion Directory*, are valuable sources of information for all horsemen, whether they be owners, trainers, drivers or breeders.

Please complete the membership application and mail it to this office along with payment of \$60. Be sure to check only **one category box**. If you are a current (2010) member, remember that your membership expires on December 31, 2010.

If you have any questions or require assistance, please don't hesitate to call us or stop by the FSBOA office. Thank you for your continued support!

Sincerely,

Mike Deters
FSBOA President
